**SOUTH SUBURBAN COLLEGE**  
Department of Allied Health  
Technical Standards for the Forensic Science Technology Program

**Technical Standards**

For admission to and participation in the Forensic Science Technology Program, applicants must meet nonacademic technical standards that enable students to engage in educational and training activities that do not endanger themselves or others. Program technical standards are mailed to applicants along with the program information packet.

Please read the following statements that identify the **Technical Standards** appropriate to Forensic Science Technology and answer the inquiry provided below.

**The Forensic Science Technologist must have sufficient strength, motor coordination and manual dexterity to:**

-Lift on average 30-50 pounds

**The Forensic Science Technologist may be required to:**

-Differentiate various shades of grey and color

**Do you have any physical or mental disabilities that would interfere with the satisfactory performance of the TECHNICAL STANDARDS identified above? If yes, please briefly explain.**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

**Prior to enrolling in the Forensic Science Technology Program, students are advised to review the applicable licensure procedures and requirements and state laws of the profession to ensure that they are eligible to receive a license following completion of the Forensic Science Technology Program at South Suburban College. You may be subject to a criminal background check and/or drug testing. Eligibility for clinical/licensure may be limited by the results of a criminal background investigation.**
