

How To Retrieve Your SSC Student ID Number

- Visit <http://my.ssc.edu> online.

- If you are in an open computer lab on campus, move your mouse over the **Welcome ACILANDOM\ Student** in the upper right hand corner of the window.

- Click the triangle and select **Sign in as Different User**.
- Enter the My SSC user name and password. Any student who has yet to received a My SSC user name and password, please visit the Student Help Center at the main campus with a current photo ID to retrieve your user information.

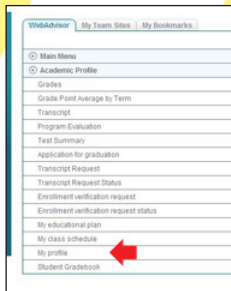

NOTE: If you are having trouble logging into My SSC, please make sure you are adding **student** in front of your user name.

- After logging in to My SSC, scroll down to WebAdvisor tab and select **Academic Profile**.

- Scroll down to **My Profile** and select it.

Your profile contains your name and your student Identification Number. You will need this information in order to receive your SSC Student Identification Card.
